To advance quality arts education, IAAE provides:

- A UNIFIED message with strength in numbers, acting as one state arts education advocacy association.
- Continual contact and coordinated leadership with all of the major arts education associations, the Iowa Department of Education, the Iowa Arts Council, the Iowa Association of School Boards, the School Administrators of Iowa and AEA consultants responsible for arts support in our schools, who operate as collaborative and advisory organizations for IAAE.
- A strong voice for arts inclusion education for the whole child in those discussions, in which proposed education changes take place, affecting arts education on state and national levels.
- Alerts concerning issues facing arts education in the Iowa Legislature and Congress.
- A Mentor Program for beginning arts teachers through a grant from the Department of Education.
- Arts education information and resources through electronic updates, newsletters, issue pieces, and the IAAE website:
www.iowaalliance4artsed.org
- Professional development in areas current to arts teacher needs.
- assistance in proactive and reactive advocacy to maintain quality arts programs.
- An active, working board including contributors from arts education and other community arts education supporters.
- A lobbyist in Des Moines who keeps us informed and makes sure that our voices are heard in the Legislature when Arts and Education are discussed

IN SHORT, **The Iowa Alliance for Arts Education** strives to increase awareness, recognition and support of policies, practices, and partnerships that ensure and advance quality sequential arts education for all Iowa students.
